INSTRUCTIONS TO CANDIDATES

- a) Read the instructions for Take Home Examination carefully and adhere to the same.
 - b) *Please mention your name, ID No., subject name and total number of pages on the Answer Sheet.*
 - c) *Clearly indicate the question numbers while answering them.*
 - d) *Answer all the four questions and each question carries 25 marks.*
 - e) *The answer for the 25 marks question should be written in 1200 - 1500 words and for the 10 marks / 15 marks question it should be 800 – 1000 words.*
 - f) *Since this is a take home exam, we expect your answers to be analytical rather than straight answers.*
 - g) Copying from any source including from other students is strictly prohibited. Plagiarism is considered as a serious academic mis-conduct and the University will take action as it deems fit.
-

1.

- a. The nature and definition of 'crime' is volatile. It keeps changing with time, place, community etc. But by and large the criminal law of the country reflects the morals and sentiments of the society. Try to define the 'crime' and essentials of the same with the help of judicial decisions and draw a comparison with 'cyber crime'. **(10 Marks)**
- b. Anand and Sarala are husband and wife. The couple shot their intimate moments on their mobile. After two months, their mobile was given to Mr Ashok a mobile shop owner for repair. Ashok after repairing downloaded the intimate clip and uploaded in one of the pornographic website. The couple were shamed by their neighbours because the entire incident came to their notice. The couple committed suicide. Relatives of Sarala caught Ashok and handed him over to Police. Discuss the offence or offences committed by Ashok if any with the help of relevant provisions and cases. **(15 Marks)**

2.

- a. Ram is an IIT student. He is a very good software developer. Once he entered into the website of Indian Railways and had introduced the following sentence "Indian Railways gives the best service" on the top of the website. Explain the

offence committed by Ram if any with the help of relevant cases and the law.
(10 Marks)

b. Explain the rules and regulations available which would guide the Internet service providers. **(15 Marks)**
