1. Anita is studying 10th class in ABM School. On 2-2-2021 she left to school by an auto-rikshaw along with her friends. On the way she met her Uncle Arvind. He told her that Anita's father met with an accident. After hearing the bad news Anita got down from auto-rikshaw and followed her uncle to the hospital. She went missing from that day. After two days Anita's dead body was found hanging to a tree in a remote place of the same village. Anita's dead body was sent to post mortem by Investigating Officer. The forensic report of dead body revealed that she was subjected to rape and was then strangled. Arvind was arrested as the deceased was last seen with him alive. Explain the offences committed by Arvind along with decided cases in the given situation. **(20 Marks)**
2. Satyam Swarup was running a computer business. He was also working as a consultant in XYZ software company. Satyam collected some data from XYZ and used in his own company for six months and then again stored data back to XYZ Company. In the meanwhile XYZ company found that one type of spyware is

installed in some of their computers. The personal data of some female employees is stolen and the same was found in few porn websites. Some miscreants started harassing those female employees by sending offensive mails to them. Discuss the offences committed by Satyam along with cases.

(20 Marks)
