Section – A

Answer FIVE questions out of SEVEN questions and each question carries 10 marks. (5 x 10 marks = 50 marks)

- 1. India has recently experienced a significant increase in its maritime trade volume. Discuss the role of maritime transport in facilitating this growth and its impact on the Indian economy.
- 2. India is a signatory to various international trade agreements. Explain how these agreements influence India's maritime transport policies and trade relations with other countries.

3. A dispute has arisen between two countries regarding trade barriers in the maritime transport sector. Describe the role of the WTO in resolving such disputes and promoting fair trade practices.
4. Due to technological advancements, autonomous ships are becoming a reality. Discuss the potential benefits and challenges associated with the use of autonomous ships in international shipping.
5. India is planning to revamp its shipbuilding industry to boost domestic maritime trade. Evaluate the key steps and policies that can be adopted to achieve this objective.
6. A company is involved in international trade and encounters difficulties in preparing the necessary shipping documents. Provide guidance on the essential shipping documents required for smooth export transactions.
7. The COVID-19 pandemic has accelerated the adoption of digital solutions in the maritime industry, such as e-commerce platforms and contactless transactions. Analyze the benefits and challenges associated with this digital transformation in terms of international trade and maritime operations.

Section – B

Answer FOUR questions out of SIX questions and each question carries 05 marks. (4 x 5 marks = 20 marks)

- a. Discuss the historical development of international trade law and its relevance in shaping contemporary trade practices.
- b. Explain the objectives and functions of the World Trade Organization (WTO) and its impact on global trade negotiations.
- c. Discuss the provisions and implications of the General Agreement on Trade in Services (GATS) in the context of international trade.
- d. Describe the role and importance of ports in facilitating international trade and their impact on the overall maritime trade ecosystem.
- e. Explain the impact of COVID-19 on the maritime trade industry, including its effects on global supply chains and shipping operations.
- f. Outline the role of international institutions, such as the IMF and IBRD, in supporting and promoting international trade.
