ACKNOWLEDGEMENT

Comment [H7]: This is only a sample draft students should acknowledge the persons who were really helpful and supporting while writing the dissertation.

No work can be carried out without any help of the fellow beings. There are numerous tangible and intangible inspirations which enable a person to indulge in the creation of new things. In this regard, although I am not creating something new, but I have tried to deliberate on the topic, in order to be of some assistance towards the intellectual simulation of the process of development. Nothing is perfect but every effort towards the attainment of perfection is praiseworthy. In this journey, therefore, I have been helped by various factors. I would firstly like to acknowledge the help and guidance of Prof. V. Balakista Reddy who was always there in times of need.

My thanks are also due to Mr. Abhijeet Dwivedi, student of M.Phil/P.hD, JNU, who provided me with all the essentials needed for this dissertation. Library is the soul of every institution and no doctrinal work can be carried out without a well-equipped library. For the same reason, I would avail this opportunity to thank Mr. S.D. Vyas who is faculty in charge of the library and has provided unimpeded access to the available resources. I would like to thank the almighty who is the supreme source behind every work and has succoured me in every circumstance.

I sincerely express my gratitude to Prof. N. Vasanthi for consistently motivating me in the entire course on improving the research and format for making dissertation. I sincerely express my gratitude to Prof. P. V. Rao, former Head of the Centre for Indian Ocean Studies, Osmania University, Hyderabad, who taught us paper of Research Methodology in the First Semester with all his experiences and thoughtful insights. I remember his valuable suggestions which are useful for the whole life. I sincerely believe that conversation with him provided me the unique opportunity to gain a wider breadth of experience.

I also give sincere thanks to my Parent, who has motivated and advised me in improving the dissertation. I would also extend my deep sense of gratitude to my friends who, above all, assisted me in hitting upon this topic and making it a subject matter of the dissertation. Lastly, I would like to acknowledge and express my

heartfelt gratitude to all those who directly or indirectly helped me in making this dissertation.
